PROFESSIONAL QUALIFICATIONS

2018 Bachelor of Engineering (Mech, Med Hons),
Queensland

2005 Certificate III in Engineering - Mechanical
(Trade Qualified Diesel Fitter)

Aaron has previously worked as an Engineer in Biomedical Research in the field of soft robotics and 3D fabrication, and in the Heavy Transport, Mining and Construction sectors with experience in Product Design, Project Management to Production and Quality Control. Aaron also has extensive Mechanical experience across the Mining, Construction and Fabrication Industries as a Maintenance Technician, Maintenance Supervisor and at all levels of exploration drilling both in surface and underground mining.

Aaron's role as an Engineering Consultant with Intersafe has him utilising his previous experience to:

- Deliver incident investigation and risk management training for both front line workers and management level employees.
- Partake in investigations involving fatalities or major equipment damage for clients.
- Carrying out audits of sites, projects, high risk activities and risk management systems for various industries.
- Performing machinery safety audits on fixed equipment and mobile machinery.

Intersafe has worked with various multinational, national and local organisations in the public and private sectors in industries such as Mining, Construction, Manufacturing, Utilities, Accommodation and Food Services, Agriculture and Health Care to provide a Safer Working Environment for all employees

Who is InterSafe?

InterSafe specialises in incident investigation to Engineer Safer Workplace Solutions. InterSafe has assisted our clients in effectively controlling the future through preparation of more than 10,000 comprehensive incident reports (dealing mostly with fatal/permanently disabling occurrences) throughout 60 years of collective experience.

This experience has led to a unique way of thinking about, investigating and preventing incidents. InterSafe shares these powerful and effective investigation models and techniques through a range of courses and services.
